

Maple Hills PTA Golden Acorn Award 2009-2010

Each year our PTA gives the Golden Acorn Award to people who have given exemplary volunteer service to children in the Maple Hills Elementary community. The Golden Acorn Award is very special and is given for continued and dedicated service. This is an excellent way to honor our PTA members for their contributions to this community.

When we present a Golden Acorn Award, that individual is given a gold pin in the shape of an acorn and a special certificate. We also contribute to the Washington State PTA Financial Grant Program in the recipient's name. This program provides grants each year totaling approximately \$66,000 to Washington State high school graduates entering their freshman year at a college, university or vocational school of their choice.

We would like you to participate in the selection of our award recipient(s) through your recommendations. The Maple Hills Golden Acorn Awards committee will make the final selections based on recommendations we receive.
