Parents Can Make A Difference!

Parents make a real difference at Maple Hills. Your help is vital during the school day, before and after school, even at home. You can participate in PTA and school events on weekdays, evenings or weekends.

There are opportunities for everyone. You can contribute as little or as much as you like. School activities/events and PTA one-time events are listed first, then year-round opportunities. When possible, specific dates are noted to help with your schedule planning.

Volunteer Form Instructions:

Complete this form by placing an “X” next to “Yes” by the activities/tasks/events that you would consider helping with. Some of these are also in need of a Chairperson and/or Co-Chairperson. Please consider being a Chairperson or Co-Chairperson with a friend. Some committees already have a Chairperson for the current school year, however, if you are interested in Chairing a committee in the future please indicate so on the form.

You may also receive a letter from your child’s teacher(s) regarding classroom volunteer opportunities. Please fill out both forms, and remember, volunteering in the classroom comes first. Thank you for your help!
